

**new single release out
18th december 2020**

Brighton (UK) based Scott & Maria create acoustic music straight from the heart, immersed in soulful harmonies. Their bright indie folk sound lifts the spirits and soothes the soul. They take great inspiration from nature and the human journey. They've been compared to Civil Wars, Jefferson Airplane and Simon & Garfunkel to name but a few.

New single 'All I Am' was released Friday December 18th 2020. It's about letting go of the past (a good thing to do with a year like this!), focusing on right now and a timely Christmas reminder that love is the most important thing we have. It's the third single from upcoming album 'Wish Me Away' which will be released in 2021.

Before this, 2020 has seen two single releases – 'Walk My Own Road' in May, and 'Animal' in January. These have received airplay across the UK (including BBC Introducing), Australia, USA, Canada and Germany.

2020's lockdown has brought well-received live stream slots at 'Into the Wild Online Beltane Festival', 'Sacred Sounds Festival' and 'Campfire Convention'. The duo have previously taken to the stage at the likes of The Isle of Wight Rhythm Tree Festival, Sark Summer Festival, The Half Moon (Putney, London), and the Permaculture Stage & Banjo Stage in the Green Fields of Glastonbury Festival.

Next up is the 10 day long online Christmas festival 'Sacred Sounds', with a slot on 27th December at 8pm, more information on at <http://www.sacredsoundsfestival.com>.
